

VOLUNTEER COVENANT:

- I will not undertake jobs that require me to be licensed or for which a building permit is required.
- I will be placed into teams of two or more. I WILL NOT VOLUNTEER IN A WIDOW'S HOME ALONE.
- As a volunteer, I will not accept money or gifts from the widow for my volunteer services.
- A team member or I will have the widow sign the "Indemnity/Hold Harmless Agreement" prior to assisting the widow. It is important to protect yourself and the church from any liability that might arise from volunteer work.
- I will only complete jobs I know I am capable of completing successfully. I will not select projects that are beyond the capacity of the team members. Don't get over your head.
