
6 MONTH MEETING & HOPE SURVEY

Dear Life Launch team,

Congratulations, you have made it 6 months! This is a time to celebrate with each other, encourage each other, and look forward to the next 6 months together. Celebrating your 6 months as a Life Launch team is no small thing. I am proud of and thankful for all of you.

As you work your way through this packet I hope you are able to open up to one another, speak from your heart, and discuss the highs and lows of your team over the past 6 months. This is a time to address any miscommunications or issues, to celebrate the successes, and set goals to work toward as a team for the future.

Life Launch is not always perfect and there are always positive and negative things when it comes to living life together. Remember to practice honesty in a way that is safe and encouraging for all, and to do your best to be open to hearing every one's insights and opinions.

I am thankful that you all are in the Life Launch Program. It is my privilege to serve and walk along side you. If you have any questions or concerns please feel free to call or email me. I am looking forward to seeing your team continue to grow over the next 6 months!
